Width:

1.000 inches

Thickness:

0.032 inches

Length:

2.312 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

W/mfr data, nomenclature, assy no.And serial no.

Color:

White inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
