Width:

1.410 inches

Thickness:

0.031 inches

Length:

1.880 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Warning, 440 volts, open disconnect, switch before, removing cover, cover no.5 1st side

Features Provided:

Reflective surface

Color:

Natural inscription

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
