Width:

1.000 inches

Thickness:

0.020 inches

Length:

1.620 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend compressor; air, 3000 psi 4 cfm electric motor driven radial type order no.--- specification no.--- stock no.--- k kidde w.K.No.---

ser.No. 1st side

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
