Width:

1.000 inches

Thickness:

0.032 inches

Length:

3.500 inches

Attachment Method:

Hole

Environmental Protection:

Moisture resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution before operation review tm 11-278 packed with equipment 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Varnish

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
