Width:

5.000 inches

Thickness:

0.064 inches

Length:

7.120 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Inscribed w/operation, adjustment, andlubrication instructions 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Sae 25 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
