Width:

0.500 inches

Thickness:

0.031 inches

Length:

0.938 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Vickers reg. U/s/ pat. Off. Mod.---, ser.--- 1st side

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Qq-a-696 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
