Width:

0.250 inches

Thickness:

0.030 inches

Length:

1.250 inches

Attachment Method:

Hole

Environmental Protection:

Hydrocarbon fuel and thermal shock resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

8737658 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
