**Width:**

0.220 inches

**Thickness:**

0.010 inches

**Length:**

3.000 inches

**Attachment Method:**

Adhesive

**Environmental Protection:**

Corrosion resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

E-cag/tsec--no.--- 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Color:**

Black inscription background

**Material:**

Aluminum

**Material Specification:**

Qq-a-1876 federal specification single material response

**Surface Treatment:**

Anodize and lacquer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
