Overall Length:

6.125 inches

Thickness:

0.020 inches

Body Length:

5.250 inches

Body Width:

1.000 inches

Inscription:

1st inscription: partial legend normally open energize to close cap port no 1 normally closed energize to open cap port no 3 three way valve port 1 pressure; 2nd: valve

Features Provided:

Legend

Color:

Aluminum inscription

Material:

Aluminum alloy

Style Designator:

Slot and tongue

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529t0
