**Width:**

0.938 inches

**Thickness:**

0.025 inches

**Length:**

1.875 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Board, plotting m18 serial no./-----/ date mfr/-----/ u.S. 1st side

**Color:**

Natural inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/2, alloy 3003 federal specification single material response

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-a-8625, type 2, class 1 military specification 1st treatment response and mil-a-8625, type 2, class 2 military specification 2nd treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0

**Mil-std (military Standard):**

Mil-a-8625 spec.
