Width:

1.000 inches

Thickness:

0.032 inches

Length:

3.000 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Inscribed power supply, pp-3381/tpn-8 and other identifying data 1st side

Special Features:

Two 0.129 in. Diameter mtg holes spaced 2.750 in. C to c

Color:

Natural inscription

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
