Width:

1.313 inches

Thickness:

0.025 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Mount, telescope m21a1 ser1al no. /-----/ date of final assembly of end item /-----/ fscm of end item manufacturer 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
