Width:

0.875 inches

Thickness:

0.016 inches

Length:

4.100 inches

Attachment Method:

Double flange

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Mfr data w/identifying data 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
