Width:

0.280 inches

Thickness:

0.040 inches

Length:

2.970 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Spares compartment 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
