#### Width:

0.218 inches

Thickness:

0.003 inches

### Length:

0.750 inches

### **Attachment Method:**

Adhesive

### **Basic Shape Style:**

Rectangular

### **Marking Designation:**

Legend 1st side

### Inscription:

3/16a-sb 1st side

# Features Provided:

Pressure sensitive adhesive tape

# Criticality Code Justification:

Aybm

### Color:

Natural inscription

### Material:

Aluminum alloy

### Surface Treatment:

Anodize

### Shelf Life:

N/a

### Unit Of Measure:

---

### Demilitarization:

No

### Fiig:

A528w0
