Width:

2.375 inches

Thickness:

0.032 inches

Length:

9.938 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and hydrocarbon fuel and thermal shock resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Truck, van, 5ton6x6, m291a2 w/ow weight - dimension data 1st side

Color:

Natural border

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
