Width:

1.000 inches

Thickness:

0.032 inches

Length:

3.125 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Reflector, antenna as-1379/mrc-98 fsn --- serial no. --- r.S.I. Part no. 686940-911 radiation systems incorporated 1st side

Features Provided:

Observation facility

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize and lacquer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
