Width:

2.000 inches

Thickness:

0.160 inches

Length:

4.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Stock no. 1015-0998249 mechanism, recoil, m2a4 105 mm howitzer no./-----/us/-----/rock island arsenal overhauled by/-----/ 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-601 federal specification single material response

Surface Treatment:

Oxide film

Surface Treatment Specification:

Mil-c-5541 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-c-5541 spec.
