Width:

1.091 inches

Thickness:

0.032 inches

Length:

1.750 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Hydraulic pump, part no., ser., spec no., stock no., contract no., patents, cu in./rev, rpm, psi, insp. Vickers 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
