Width:

1.094 inches

Thickness:

0.032 inches

Length:

1.750 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

((partial legend))--- hydraulic motor pt. No. --- ser --- military pt. --- specification no. --- stock no. --- contract no. --- patents 2250512, 2313407

cu. 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
