Width:

0.843 inches

Thickness:

0.031 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

National security agency oper. Accessory kit ce87290 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4, alloy 2024, t6 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
