Width:

2.188 inches

Thickness:

0.032 inches

Length:

3.000 inches

Attachment Method:

Slot

Environmental Protection:

Corrosion resistant and cleaning resistant and solvent resistant and thermal shock resistant

Basic Shape Style:

Rectangular

Color:

Natural inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-p-6906 spec.
