Diameter:

0.425 inches

Thickness:

0.025 inches

Basic Shape Style:

Round

Marking Designation:

Legend

Inscription:

Mach push limit

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
