Width:

0.375 inches

Thickness:

0.031 inches

Length:

1.188 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

U.S.Patent re 22550 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h22 federal specification single material response

Surface Treatment:

Lacquer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
