Width:

0.562 inches

Thickness:

0.007 inches

Length:

1.812 inches

Attachment Method:

Adhesive

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend single side

Inscription:

Volts - 115 ac, current - .72 single side

Features Provided:

Reflective surface and water activated adhesive tape

Color:

Red inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
