**Width:**

1.250 inches

**Thickness:**

0.003 inches

**Length:**

2.000 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Linkage assembly, pilot contr.--- part number--- mfd. By. Sperry + univac univac part no. 2277712-00 ser. No.---mfg. Date---cont 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
