**Width:**

1.740 inches

**Thickness:**

0.032 inches

**Length:**

2.250 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

Kit-1a tsec, confidential, xgds-2, controlled comsec item, government property

**Criticality Code Justification:**

Aybm

**Color:**

Natural inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/11, alloy 6061, t6 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
