Width:

1.740 inches

Thickness:

0.032 inches

Length:

2.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Kit-1a tsec, confidential, xgds-2, controlled comsec item, government property

Criticality Code Justification:

Aybm

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
