Width:

0.220 inches

Thickness:

0.010 inches

Length:

3.900 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Conf xgds-2 comsec e-bnx no. ---

Criticality Code Justification:

Aybm

Color:

Red, federal standard 595, 31136 inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
