Width:

0.375 inches

Thickness:

0.020 inches

Length:

1.000 inches

Attachment Method:

Hole

Environmental Protection:

Heat and hydrocarbon fuel and mildew resistant and salt spray resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

W/rotation direction 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
