Width:

2.656 inches

Thickness:

1.437 inches

Length:

9.750 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and moisture resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Danger-high voltage 1st side

Color:

Natural inscription background

Material:

Plastic acrylic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
