Width:

0.690 inches

Thickness:

0.032 inches

Length:

2.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Keep threads well lubricated with mil-g-3278 grease 1st side

Color:

Black inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
