Width:

4.750 inches

Thickness:

0.013 inches

Length:

5.000 inches

Attachment Method:

Slot

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Inscribed with mfr identification and servicing instructions

Special Features:

Environmental protection: liquid oxygen resistant

Color:

Natural inscription

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
