**Width:**

0.880 inches

**Thickness:**

0.032 inches

**Length:**

2.000 inches

**Basic Shape Style:**

Rectangular w/rounded end

**Marking Designation:**

Legend 1st side

**Inscription:**

Hidden bolts inside 1st side

**Features Provided:**

Observation facility

**Color:**

Olive drab inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/11, alloy 6061, t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
