Width:

1.150 inches

Thickness:

0.040 inches

Length:

1.765 inches

Attachment Method:

Hole

Environmental Protection:

Solvent resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

General electric main fuel control, type, ser., assy., us, np186054, lynn, mass.

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Enamel or varnish

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
