Width:

1.562 inches

Thickness:

0.032 inches

Length:

2.500 inches

Attachment Method:

Hole

Environmental Protection:

Solvent resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legendgeneral electric aircraft gas turbine usaf model spec.No. Contract no. Serial no. Federal stock no. N.P.186011 u.S. Lynn mass
1st side

Features Provided:

Reflective surface

Color:

Red inscription background

Material:

Aluminum alloy

Surface Treatment:

Enamel or varnish

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
