Width:

Between 0.495 inches and 0.505 inches

Thickness:

0.016 inches

Length:

Between 2.484 inches and 2.516 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend single side

Inscription:

Pressure switch asm no /-----/ ser no /-----/ 1st side

Color:

Red inscription

Material:

Aluminum alloy

Fsc Application Data:

Switch, pressure

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
