Width:

1.062 inches

Thickness:

0.044 inches

Length:

2.312 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

1.6a on off power 1st side

Color:

White inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Kli-f1120, scm corporation mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
