**Width:**

1.062 inches

**Thickness:**

0.044 inches

**Length:**

2.312 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

1.6a on off power 1st side

**Color:**

White inscription

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Kli-f1120, scm corporation mfr ref single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
