Width:

1.500 inches

Thickness:

0.020 inches

Length:

2.430 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Landing gear up down

Features Provided:

Reflective surface

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
