Width:

0.750 inches

Thickness:

0.030 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded ends

Material:

Aluminum alloy

Material Specification:

Mil-p-514, comp b military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-p-514 spec.
