Width:

1.125 inches

Thickness:

0.040 inches

Length:

2.375 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Polar 60 ma neutral 20 ma

Color:

White inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
