Width:

1.500 inches

Thickness:

0.032 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Name of equipment serial no. Mfr name order no. U. S. And frequency 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h24 federal specification single material response

Surface Treatment:

Varnish

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
