Width:

1.110 inches

Thickness:

0.032 inches

Length:

1.500 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Inscribed w/mfr identification 1st side

Special Features:

Two 0.095 in. Diameter mtg holes spaced 1.435 in. C to c

Color:

Natural inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
