Width:

1.812 inches

Thickness:

0.005 inches

Length:

3.406 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Meter switch, also inscribed with various positions and functions

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum

Material Specification:

Qq-a-1876, type 3, grade b federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
