Width:

1.000 inches

Thickness:

0.032 inches

Length:

2.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/concave top

Marking Designation:

Legend and symbol 1st side

Inscription:

Arrows pointing left, right and down, hand turning, electric, starter brush release, lever, stowage single side

Color:

Gray inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/5, alloy alclad 2024 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
