Width:

1.812 inches

Thickness:

0.031 inches

Length:

4.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Heat exchanger assembly, air cooling, model 8248, serial no., spec no., cure date, mfrs data 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
