Width:

2.000 inches

Thickness:

0.150 inches

Length:

2.625 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution do not remove nuts unless cradle lock is engaged 1st side

Color:

Natural inscription background

Material:

Copper alloy

Material Specification:

Qq-c-390 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
