Width:

0.620 inches

Thickness:

0.094 inches

Length:

1.750 inches

Attachment Method:

Slot

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Nomenclature, part no., model no., serial no., mfrs name and address 1st side

Features Provided:

Observation facility

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
