Width:

0.250 inches

Thickness:

0.020 inches

Length:

5.250 inches

Attachment Method:

Hole

Environmental Protection:

Hydraulic fluid

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Inscribed 50 to 8 to 50 degrees in linear form 1st side

Color:

Natural inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
